

# Vision Discount Program

This vision discount program is available free to all members of the Delta Dental Discount Program.

optometrists, ophthalmologists, opticians, and the nation's leading and most popular optical retailers.

It's easy to find participating providers near you.

- One in four children has an undetected vision problem that can interfere with learning, according to the American Optometric Association.
- Undetected eye diseases can lead to worsening eyesight and in some cases irreversible vision loss.

\*Items purchased separately will be discounted 20% o of the retail price.

\*\*Since LASIK and PRK vision corrections are elective procedures, performed by specially trained providers, this discount may not always be available from a provider in your location. For a location near you and the discount authorization, please call 1-877-5LASER6.

Member will receive a 20% discount on those items purchased at participating providers that are not specifically covered by this discount. The 20% o discount does not apply to EyeMed providers' professional services or contact lenses. Retail prices may vary by location. All discounts cannot be combined with any other discounts or promotional offers. Vision discount cannot be combined with another vision coverage plan or with vision coverage provided through a medical insurance policy. This discount design is offered with the EyeMed Advantage panel of providers.
